Re: Grant Request

Thank you for participating in NBAZ Charities' fall grant cycle in 2016! We had an amazing response and received well over 160 applications. Because this is our inaugural year, available funds are limited, however, your organization was awarded a grant. Congratulations! While the amount may not be the full amount you requested, please know that your dedication to the mission of your organization is to be commended. It is because of this that our Employee Advisory Group included your award for \$2000. It is our hope that these funds will help you in your efforts to further your mission.

NBAZ Charities is a Collaborative Fund managed by the Arizona Community Foundation. It was created by National Bank of Arizona® to enhance our involvement in Arizona communities. The fund is intended to provide support and resources to non-profit agencies dedicated to improving lives within those communities.

Thank you again for your participation and we wish you continued success.

Sincerely,

Deborah Bateman, Vice Chair  
National Bank of Arizona  
Chairperson, NBAZ Charities

Sincerely,

Jeremiah Popelier  
National Bank of Arizona  
NBAZ Charities

\*NBAZ Charities™ is a collaborative fund managed by Arizona Community Foundation, a 501(c)(3), a tax-exempt charitable organization.
